0001	150 ml	12 pcs.
0002	500 ml	12 pcs.
0003	1 Lt	12 pcs.
0004	5 Lt	02 pcs.

HARD TOP POLISH NATURAL – High Resistance Shellac Lacquer

A special polish based on dewaxed shellac, with superior chemical resistance compared to classic shellac lacquers. The high solid content, supported by completely natural resins, guarantees a superior seal over time and a lower sensitivity to humidity compared to classic shellac coatings. It is ideal for all those substrates subject to heavy wear and on which you want to keep the aesthetic uniqueness of shellac. Ready to use and colourless, it can be coloured with the addition of small quantities of concentrated Holzfarbe dye.

Code	Desc.	Pack.
