New effects

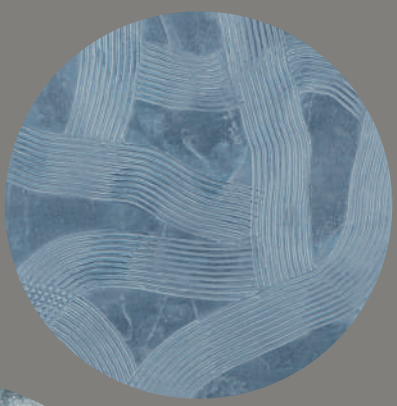

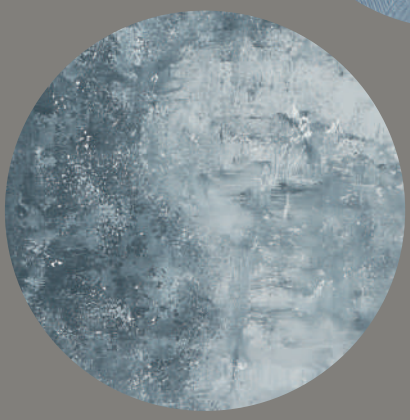

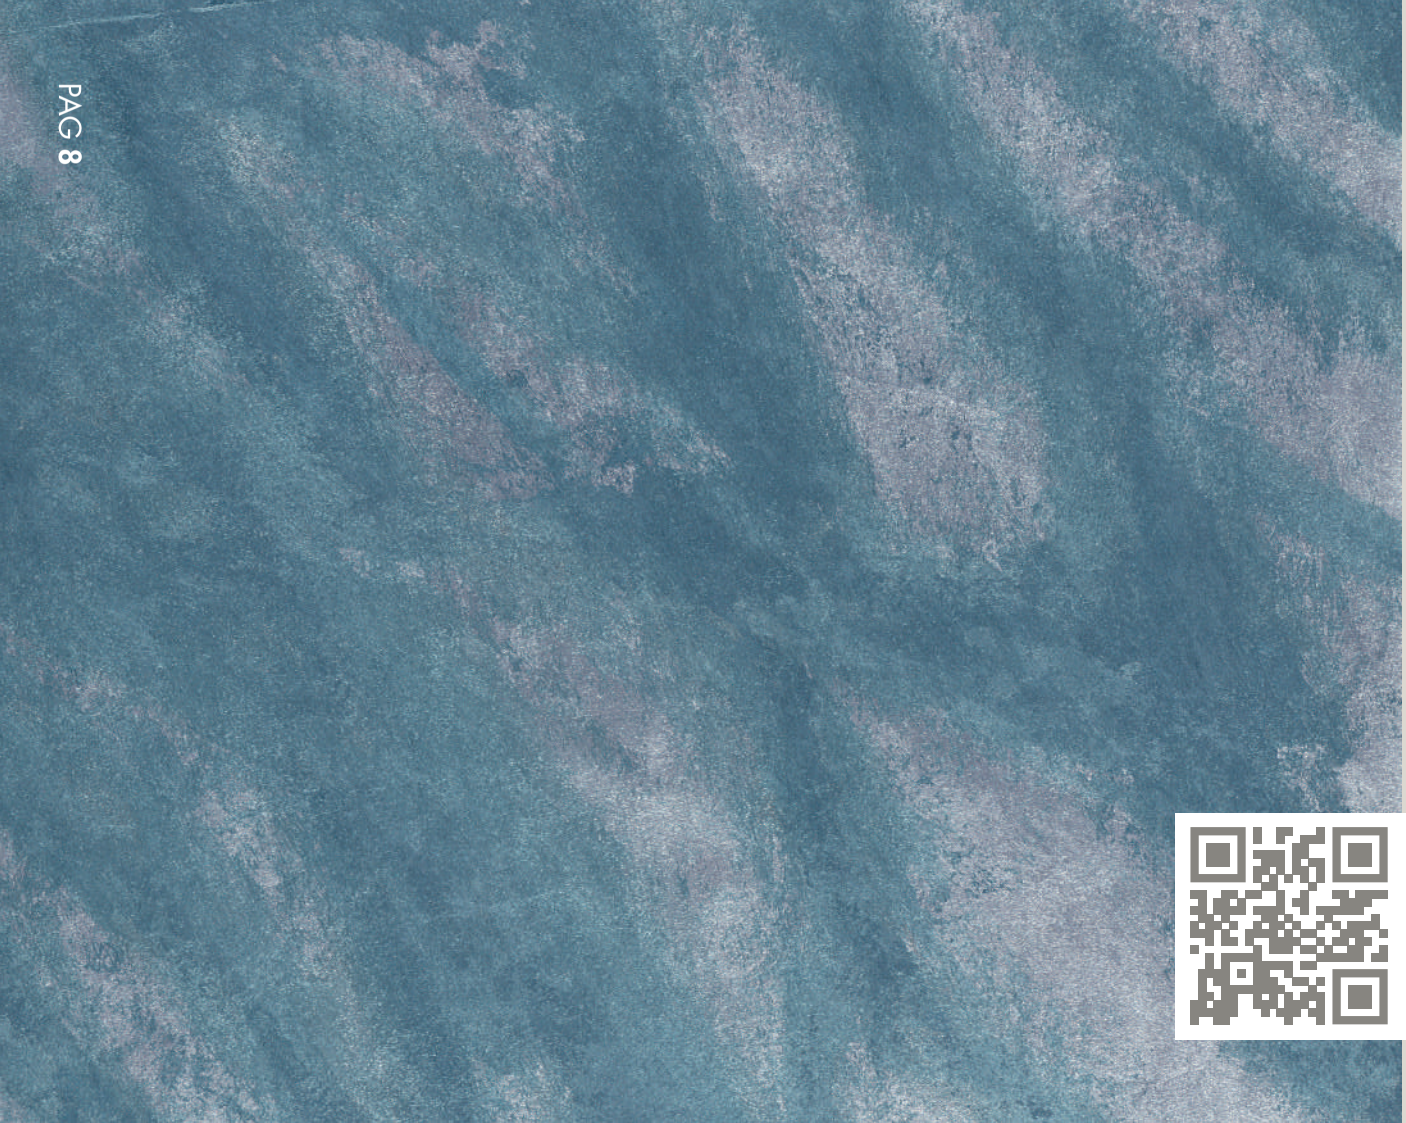

Sei combinazioni dal finish opaco e materico che creano geometrie e giochi di sfumature. Una collezione perfetta per definire lo spazio, completando l'architettura e l'arredamento con gusto contemporaneo.

Six combinations with a matte and textured finish that create varying forms and contrasts between light and shade. A perfect collection for defining your spaces, and completing the architecture and furnishings with a contemporary taste.

Giudecca new colors

Le nuove finiture della linea Giudecca vanno ad aggiungersi alla collezione Acquagranda. I nuovi accostamenti cromatici permettono alla texture effetto pietra di raggiungere un ulteriore livello di accuratezza e contrasto, esplorando tutte le possibili declinazioni naturali della pietra.

The new finishes in the Giudecca line add to the Acquagranda collection. The new colour combinations allow the stone effect texture to achieve a new level of authenticity and contrast, exploring all the possible natural variations of stone.

La Certosa new colors

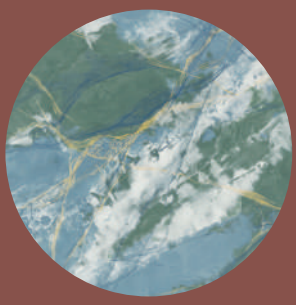

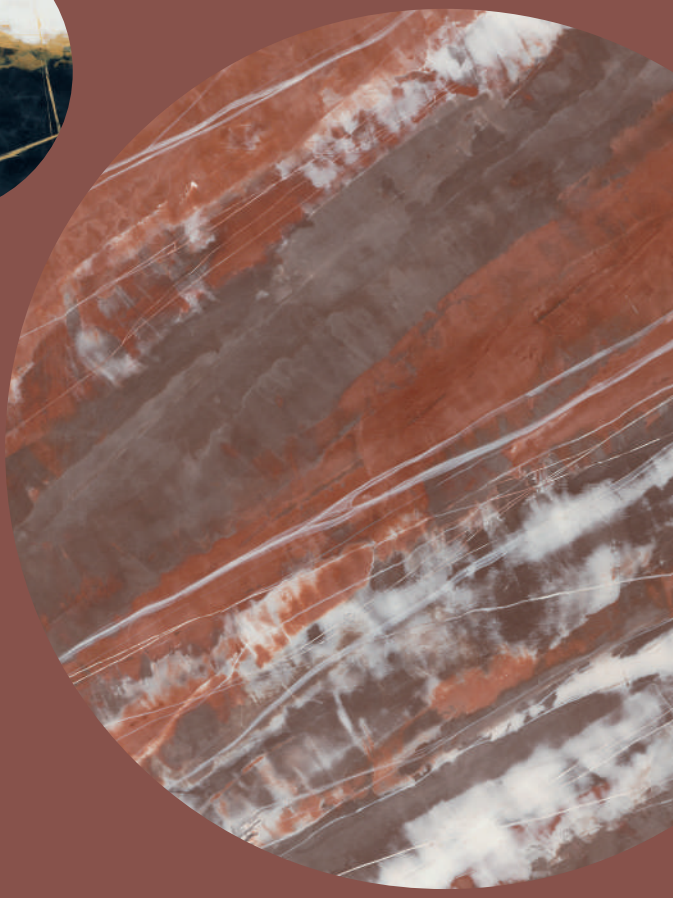

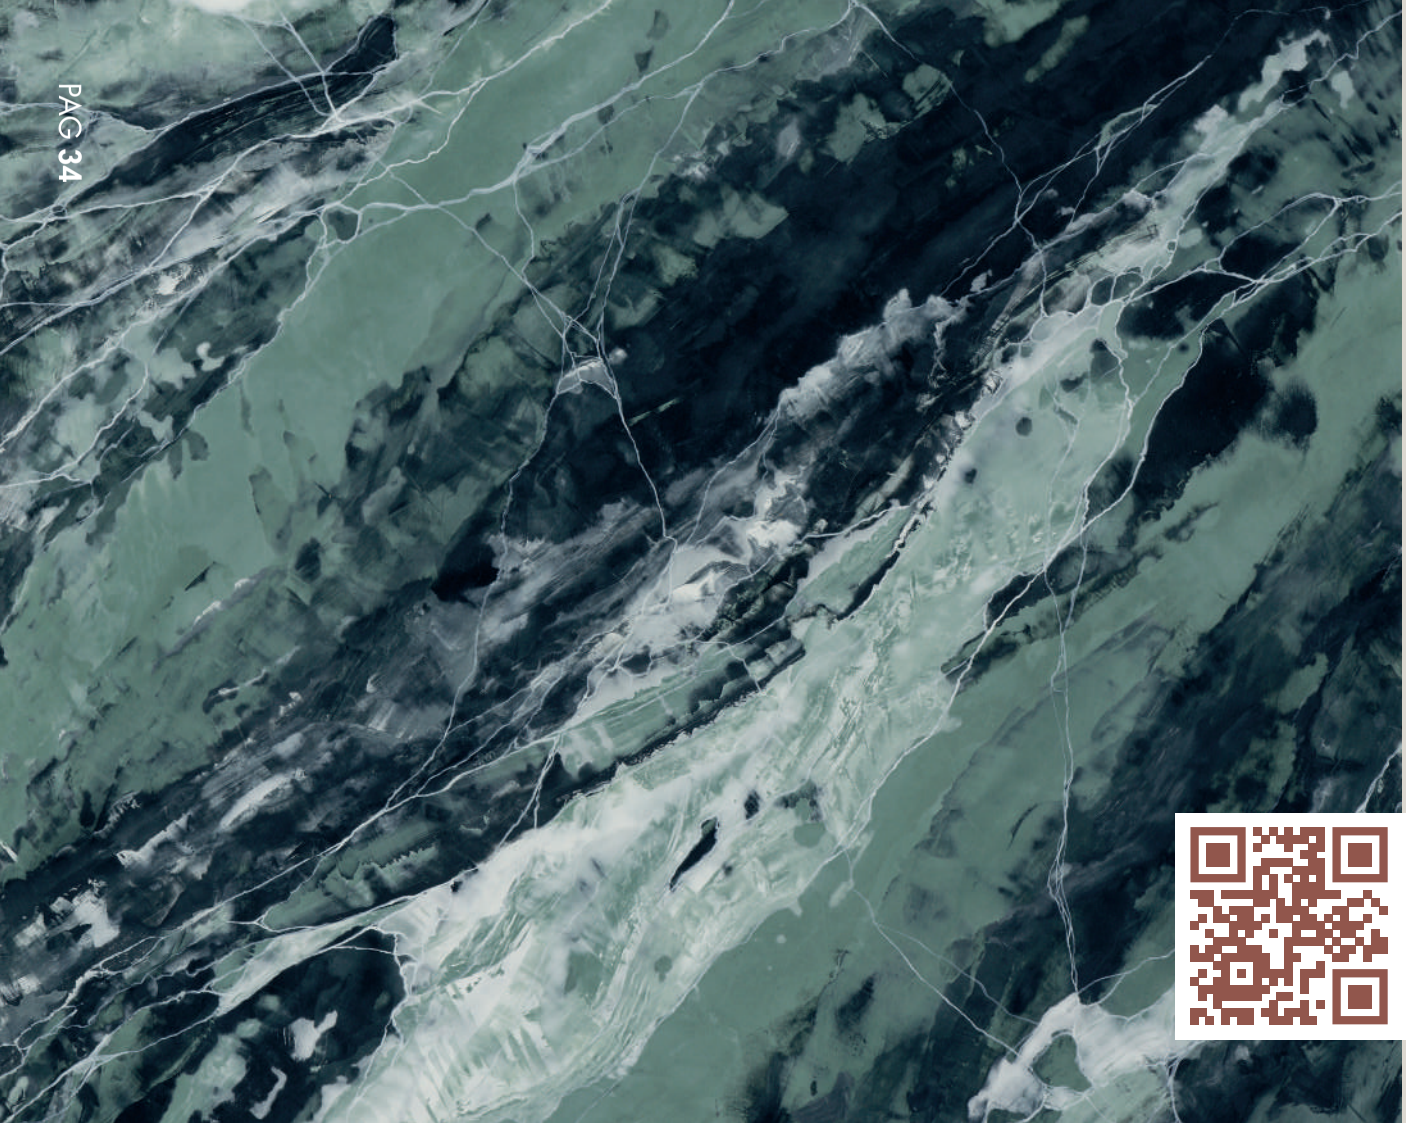

Sei sinfonie di colore e giochi di texture inediti per La Certosa, l'elaborazione effetto marmo della collezione Acquagranda. Le nuove combinazioni introducono un ulteriore elemento di dinamismo nella realizzazione delle pareti, garantendo risultati sempre diversi, per progetti di interior design unici.

Six unique symphonies of colour and textures for La Certosa, the evolution of the marble effect of the Aquagranda range. The new combinations introduce another aspect of dynamism in creating walls, always ensuring unique results, for original, interior-design projects.
